NOTICE

TEMPORARY RELOCATION OF THE M.V. CABO STAR TO THE G.S.S. PORT OF SPAIN FERRY TERMINAL ON TUESDAY 8TH & WEDNESDAY 9TH OCTOBER, 2024

The Management of the Trinidad and Tobago Inter-island Transportation Company Limited (TTIT) wishes to advise the public that the M.V. Cabo Star (cargo vessel) will be temporarily relocated to the Government Shipping Service (GSS), Port of Spain Ferry Terminal on Tuesday 8th and Wednesday 9th October, 2024.

The Cabo Star usually utilises Berth #3 at the Port of Spain Cruise Ship Complex, which is the assigned area for cruise ships, naval vessels, and other ships that wish to call at the Main Port Area. During the cruise ship season when Berth #3 is in full use, inter-island cargo operations are impacted, resulting in the non-sailing of the Cabo Star.

The Seabourn Venture, the first cruise ship of the 2024/2025 season, will arrive in Trinidad on Tuesday 8th October 2024. As such, to ensure continuity of the transportation of commercial vehicles and cargoes, the Cabo Star will be relocated to the GSS POS Ferry Terminal on Tuesday 8th & Wednesday 9th October 2024 whilst the Seabourn Venture is in port. The M.V. Cabo Star will return to Berth #3 from Thursday 10th October 2024, for its continued operations until further notice.

As a result of these changes, the public is advised of a temporary disruption in traffic along Wrightson Road, in the vicinity of the Port of Spain Ferry Terminal. Confirmed travelers to Tobago are advised to arrive at the Terminal two (2) hours in advance for their scheduled sailings. Motorists are advised to proceed with caution, observe directional signs, and follow instructions from the Port Police Officers and Traffic Wardens.
